# MARIYA AJAZ

## ABOUT ME

I am a final year ECE student with a passion for software development. I have completed several projects and certifications in various domains, such as web development, data structures and algorithms which have helped me enhance my skills and knowledge. I have programming skills and a keen interest in learning new technologies. I am looking for opportunities to apply my knowledge and creativity in challenging software development roles.

## INTERNSHIP'S AND TRAINING

### Internship at GuruCool EdTech (APR-2022 to JUL-2022)

- I came up with the idea of promoting the content through the company's network, friends and relatives which increased the viewership significantly.
- Organizing a webinar for students to learn software development concepts effectively.
- Collaborated with software developers and editors to improve quality of the content.
- Learned to write software development content clear and concise for online learning.

## PROJECTS

### Placement Coordination JMI

- Developed a website to facilitate placement coordination and training for students.
- Implemented features such as online registration profile creation and resume upload.
- Enabled coordinators to post and manage job opportunities, and track placement status.
- Technology : EJS, Node.js, MySQL, Express.js, Javascript
- Github : [Placement Coordintion JMI](#)

### Classical Games

- Developed classical games like Simon Game and Ping Pong using JavaScript
- Github : <https://github.com/Mariya-Ajaz>
- Website : <https://mariya-ajaz.github.io/Ping-Pong-game>
- Website : <https://mariya-ajaz.github.io/Simon-Game>

## CERTIFICATIONS

### Web Development course:

Learned HTML, CSS, JavaScript, APIs, Node.js, React, Bootstrap, GitHub, MySQL, Frontend and Backend development and build mini-projects to apply these skills.

## ACADEMIC DETAILS

COURSE	INSTITUTE/COLLEGE	SCORE	YEAR
B.TECH ECE	FACULTY OF ENGINEERING (JMI)	9.19 SGPA	2024
CLASS XII	JAMIA MILLIA ISLAMIA	83.20 %	2019
CLASS X	JAMIA MILLIA ISLAMIA	9.43 CGPA	2017

## ACADEMIC ACHIEVEMENTS

- Secured a rank within the top 5 percentile in IITJEE MAINS, 2020.
