EDUCATION

Jamia Millia Islamia (JMI), University

Bachelor Of Technology In Computer Engineering - CGPA - 9.84

Oct 2020 – Aug 2024

New Delhi, India

Oxford Public School

Class 12th Boards - PCM - Percentage - 94.83%

Mar 2019 – June 2020

New Delhi, India

Oxford Public School

Class 10th Boards - Percentage - 85.4%

Mar 2017 – June 2018

New Delhi, India

PROJECTS

Code Verse [Github](#) [Website](#) | ReactJs, Tailwind Css, NodeJs, Firebase

01 Feb 2023

- Developed an online code editing platform that allows users to write and execute code.
- Features include multiple language support, an integrated terminal, search and replace functionality, local system file import/export, autocomplete suggestion.
- Utilized local storage and IndexedDB for seamless and persistent file storage.
- Responsive app with multiple theme options and customized file and folder icons.

Graphical Password Authentication [Github](#) [Website](#) | ReactJs, NodeJs, MongoDB

26 Aug 2022

- Developed an authentication system based on images that is more user-friendly than traditional text-based passwords.
- Solves traditional problems of passwords, such as shoulder surfing and key logging.
- Implemented password changes on each login request to enhance security.
- Incorporated a three-factor authentication process for OTP (One-Time Password) verification.

Whiteboard App [Github](#) [Website](#) | Javascript, Html, Tailwind css

06 Jun 2022

- Developed a drawing app with a variety of features draw shapes (line, rectangle, circle), sticky notes with drag functionality.
- Implemented dark and light modes for enhanced user experience.
- Utilized local storage for saving, loading, and deleting drawings.

CODING PROFILE

LeetCode - vickyguptaa7 [Website](#)

- Highest Rating - 2252, Guardian.
- Secured **130th** global and **28th** all-india rank out of 24k participants Biweekly Contest 109.

Codeforces - vickyguptaa7 [Website](#)

- Highest Rating - 1695, Expert.
- Secured **472th** global rank out of 32k participants in Educational Round 150.

ACHIEVEMENTS

Secured **345th** global and **128th** all-India rank out of 8k participants in Google Farewell Round A 2023.

Secured **85th** global rank out of 4k participants in Reply Coding Challenge Standard Edition 2023.

Finalist in Smart India Hackathon Software Edition 2022, developed Graphical Password Authentication System.

Secured **383th** global and **248th** all-India rank out of 8k participants in Google Kickstart Round G 2022.

TECHNICAL SKILLS

Languages: C, C++, Javascript, Html, Css

Technologies/Frameworks: ReactJs, Tailwind Css, Git, GitHub

Data Structures & Algorithm
